WHY CHOOSE NUELEAD

Professional craftsmanship, advanced technology and premium materials ensure the perfect storage environment for your cigars.

SPANISH CEDAR INTERIOR

100% Spanish cedar shelves release natural aroma and maintain the original flavor of cigars.

PRECISE HUMIDITY CONTROL

Digital control system maintains humidity between 60%-80%, protecting every cigar.

AUTOMATIC AMMONIA REMOVAL

Built-in ammonia removal system continuously filters harmful gases and keeps the air fresh.

SECURITY PROTECTION

Equipped with a secure lock to protect your valuable cigar collection.

COMPRESSOR COOLING SYSTEM

Powerful and stable compressor ensures precise temperature and humidity control.

OEM & ODM SUPPORT

Logo, color, packaging, voltage and more can be customized to meet your needs.

Automatic Ammonia Removal System

Powerful Compressor Cooling

Precise Temperature & Humidity Control
